Arwen's Promise

Eurielle

It is done,
I have decided
No going back now

I have seen
And I believe
Youâ€™ll return somehow

Bridge

Since the first time I saw you, I knew
The shadows in your heart withdrew

Chorus

Though the world grows darker every day
And hope seems all but a memory
Nothing can dim or extinguish this flame
Ignited long ago deep within me

Verse 2

It is done
I will be mortal
As I once promised

Long ago
Do you remember;
In the forest?

Bridge

Since the first time I saw you, I knew
The shadows in your heart withdrew

Chorus

Though the world grows darker every day
And hope seems all but a memory
Nothing can dim or extinguish this flame

Ignited long ago deep within me
No-one can break my will, nothing can change
My path is laid before me
