

# Mama Knew Love (iTunes Originals Version)

[Anthony Hamilton](#)

I know you love me  
I can tell by the way that you kiss me  
Tight when you hug me  
Took me to school the very first day  
Gave me a piece of butterscotch  
Sent me on my way  
I know it's frightening  
I could tell by the pain in your eyes when the rent was late again  
Too strong to hold  
Being on your own  
Lord bless her soul, mama knows love[Chorus]  
Mama knew love like the back roads  
Used to fall asleep daily in her work clothes  
Mom swear you never have to worry again  
Mama knew love like the back streets  
Used to wipe pee just to make the end meet  
Mom swear you never have to worry againUp bright and early  
Scrambled eggs  
Swellin' in ya legs  
Bills on the bed  
Still you managed to show me a smile  
Then walk to work about two or three miles  
Mom I'm gonna struggle witcha  
I'm gonna help you see the bigger picture  
You gave me something no one could take away  
You made it so easy to say...I love ya mamaMama knew love like the back roads  
Used to fall asleep daily in her work clothes  
Mom swear you never have to worry again  
Mama knew love like the back streets  
Used to wipe pee just to make the ends meet  
Mom swear you never have to worry again, no no noMama knew love  
She gave me love  
Crazy love  
So much love  
Mama knew love  
She gave me love  
Crazy love  
So much love[Chorus: x3]
