## Enthroned

[music: Morbid Death, 1989, lyrics: Cernunnos]Satanas, fallen one by this nail commences, Nazarene,  
mutilations, morbid death, suffering awaits him while he is  
crucified on the cross...Go away blessed whore...  
Blessed whore...blessed whore!!!Hellish strenght, grand-Goat war, antichrist,  
from the pits of Hell!!!  
Diabolic Force...Diabolic Force...Diabolic Force!!!  
Rising high, grand Goat-war, antichrist,  
from the pits of Hell!!!  
Diabolic Force...Diabolic Force...Diabolic Force!!![Lead: Nornagest]Suddenly the pest is growing inside me,  
the devil invest my soul with all my pride.  
The dismembered remains of the nazarene  
lies beneath my feet,  
now covered in blood, I hold the spear which pierced  
his holy heart, longinus is my name!!!Hellish strenght, grand-Goat war, antichrist,  
from the pits of Hell!!!  
Diabolic Force...Diabolic Force...Diabolic Force!!!  
Rising high, grand Goat-war, we are possessed by his blood  
BLOOOOOOODDDDDDD!!!
