This Is Your Life

Lalah Hathaway

CHORUS:
This is your life
live it today
this is your life
you only have one life so live it
don't let nothing get in your wayVERSE:
Why are we waisting so much time hating one another
can't even get along with your brother
quiet as its kept you've been angry with your mother
foe way too long
your left paralyzed in your wrong thinking
drowning in your tears
you can't see you're sinking
it's time to forgive, so you can liveCHORUS:
This is your life
live it today
this is your life
you only got one life so live it
don't let nothing get in your wayVERSE 2:
So are you still unhappy with the money you're making
tell it to the man on the street who's begging
if you're not grateful
to be where you are
then you won't get too far
time never turned back to yesterday
but even if it did would we change
and learn to live and laugh and love
in spite of where we areCHORUS:BRIDGE:
If you never miss your water
till your well runs dry
if you hold on to I love you
till after the last goodbye
if you never ever still your mind
or asked yourself why
then how will you know
when its time for your heart take flight
forever ain't always
you only get one time through
you better tell the story of youCHORUS:

this is your life
live it today
this your life
you only got one life so live it
don't let nothing get in your way
