

You Don't Know Me

Butthole Surfers

You don't know me
You just know my name
You want to see me ruined
Is that your game?
????????????????
There's nothin left at all
You want to see me ruined
????????????????
Taking trips, instead of reading rhymes
You want to take a tip
and redefine your mind
????????????????
(there's a brain to the side of dawn?????)
????????????????

Taking trips inside your pretty mind,
Won't have to go too far,
there's nothing there to find
????????????????
(there's a brain to the side of dawn?????)
You want to see me ruined
You don't know me
You just know my name
You want to see me ruined
Is that your game?
????????????????
There's nothin left at all
You want to see me ruined
????????????????
