

# When God Made You

## NewSong

It's always been a mystery to me  
How two hearts can come together  
And love can last forever  
But now that I have found you, I believe  
That a miracle has come  
When God sends the perfect one  
Now gone are all my questions about why  
And I've never been so sure of anything in my lifeChorus:  
I wonder what God was thinking  
When He created you  
I wonder if He knew everything I would need  
Because He made all my dreams come true  
When God made you  
He must have been thinking about meI promise that wherever you may go  
Wherever life may lead you  
With all my heart I'll be there too  
From this moment on I want you to know  
I'll let nothing come between us  
And I will love the ones you love  
Now gone are all my questions about why  
And I have never been so sure of anything in my lifeChorus:  
I wonder what God was thinking  
When He created you  
I wonder if He knew everything I would need  
Because He made all my dreams come true  
When God made you  
He must have been thinking about meBridge:  
He made the sun  
He made the moon  
To harmonize in perfect tune  
One can't move without the other  
They just have to be together  
And that is why I know it's true  
You're for me and I'm for you  
Cause my world just can't be right  
Without you in my lifeChorus:  
I wonder what God was thinking  
When He created you  
I wonder if He knew everything I would need

Because He made all my dreams come true Tag chorus:  
He must have heard every prayer I've been praying (I 've been praying)  
Yes He knew everything I would need  
When God made you (I thank God he made you)  
When dreams come true (you are my love my love)  
When God made you He must have been thinking about me
