

When God Made You

NewSong

It's always been a mystery to me
How two hearts can come together
And love can last forever
But now that I have found you, I believe
That a miracle has come
When God sends the perfect one
Now gone are all my questions about why
And I've never been so sure of anything in my lifeChorus:
I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true
When God made you
He must have been thinking about meI promise that wherever you may go
Wherever life may lead you
With all my heart I'll be there too
From this moment on I want you to know
I'll let nothing come between us
And I will love the ones you love
Now gone are all my questions about why
And I have never been so sure of anything in my lifeChorus:
I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true
When God made you
He must have been thinking about meBridge:
He made the sun
He made the moon
To harmonize in perfect tune
One can't move without the other
They just have to be together
And that is why I know it's true
You're for me and I'm for you
Cause my world just can't be right
Without you in my lifeChorus:
I wonder what God was thinking
When He created you
I wonder if He knew everything I would need

Because He made all my dreams come true
Tag chorus:
He must have heard every prayer I've been praying (I 've been praying)
Yes He knew everything I would need
When God made you (I thank God he made you)
When dreams come true (you are my love my love)
When God made you He must have been thinking about me
