## I Swear

## All 4 One

I swear by the moon and the stars in the skies

And I swear like the shadow that's by your side

I see the questions in your eyes
I know what's weighing on your mind

You can be sure I know my part
'Cause I'll stand beside you through the years

You'll only cry those happy tears

And though I make mistakes I'll never break your heart

And I swear by the moon and the stars in the skies

I'll be there
I swear like a shadow that's by your side
I'll be there

For better or worse till death do us part I'll love you with every beat of my heart

And I swear

I'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the walls

And when

(And when)

Just the two of us are there
You won't have to ask if I still care
'Cause as the time turns the page
My love won't age at all

And I swear

(I swear)

By the moon and the stars in the skies

I'll be there

(I'll be there)

I swear

(And I swear)

Like the shadow that's by your side

I'll be there

(I'll be there)

For better or worse till death do us part I'll love you with every beat of my heart (Beat of my heart)

And I swear

I swear

(I swear)

By the moon and stars in the sky

I'll be there

(I'll be there)

(I swear)

I swear like the shadow that's by your side

I'll be there

(I'll be there)

For better or worse

(Better or worse)

Till death do us part

(Oh no)

(I'll love you with every)

Every single beat of my heart

(I swear)

I swear

(I swear)

Oh, I swear
