Stop Hurting Me

Freja Kirk

I've been trying find a place to call my own
A safe place to call my own
It's been way too long
I'm better off with what i used to know
I wanna be anywhere else
See me falling again
I'm free falling again
I wanna be anaywhere else
Stop hurting me x4
I've been trying find a place to call my own
(Just can't take it no more)
Tryna' find it a safe place to call my own
(I can't take it no more)
I've been here for way too long
I'm better off with what i used to know
I wanna be anywhere else
See me falling again
I'm free falling again
I wanna be anywhere else
Stop hurting me x4
(stop hurting me)
It's been way too long x3
Stop hurting me x4
