Human

32 Leaves

Don't we all got crimes we tuck away to seal forever?
But we lost our minds along the way, it was our endeavour
Would anyone else have a try?
Try and do the same
You blame me again, I'm only one man (only human)
Hate me again, I'm only one man (only human)
Only human
Heavy on my mind, desire reign, what seldom stays here

But shouldn't we open our eyes whenever it seems ok?
So put your blame on me, I'm so ashamed
So what, you say it's done
You pretend it's so painless
So numb you seem
While you decide your fate here
I washed my hands clean
I'm only human
