Unbelievable

SuperHeavy

Beautiful girl walks slowly
Young men all look on
The first rose is a pleasure to my nose
The wine is a cool in the clubSome say the night is lonely
Some say the night is young
But night is the time for fantasy
The fantasy of love[chorus:]
It's unbelievable. never wanna give it up.
It's unbelievable. never wanna give it up.
You say, where's the rub? nothing lasts forever, baby, ain't u heard?
You say, where's the rub? life is an illusion and its so unjust
You ask, where's the rub?
You say, where's the rub? life is but a dream and i will turn to dustOut of the sight of moonlight, the stars in the dome above
Your hair is waving in the wind, are you ready for love?
Are you ready?Whether you believe or fathom
In a eve or adam
The world of particles molecules and atoms
Living organisms into organized patterns
Living the life you love, you better love it with a passion[repeat chorus]Some say the nights are lonely
Some say the night is young
Night is the time, night is the time for fantasy,
The fantasy of loveNever wanna give it up!Give me the kinda gat that cause a real revolution
Don't care your race nor culture nor fashion
Life worth much more than gold and cash-in
Living every moment with true compassionUnbelievable! never gonna, never gonna give it up!
Unbelievable! never gonna give it up!
