

Where Does A Little Tear Come From?

Perry Como

Where does a little tear come from?

Where does a little . . . tear . . . come from?

It comes from a heart that's been broken apart,
that's where a little tear comes from!Where does a broken heart come from?

Where does a broken . . . heart . . . come from?

It comes when you find that you love the rovin' kind,
that's where a broken heart comes from!Where does the rovin' kind come from?

Where does rovin' . . . kind . . . come from?

From the wind and restless river that wanders on forever
that's where the rovin' comes from!Where does the restless river come from?

Where does restless . . . river . . . come from?

It comes from little tears that are shed through the years
that's where the restless river comes from that's where the restless river comes from . . . Words and Music
