

Diamond Dave

The Bird and the Bee

When I was a child
You captured my devotion
I spent so many hours
Exploring mixed emotions All of the ways you spoke to me
All of the things you provoked in me
I'll always love you Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember
I still carry such a flame When you left the band
I couldn't understand it
But I've forgiven you
Now that you've recommitted All of the time you spent away from me
All of the missed opportunity
I'll always love you Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember
I still carry such a flame Come on, Dave
Show me what you got
I can take it
I'll always love you Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember Diamond Dave, I'll always remember
Pretty Dave, I'll always remember
I still carry such a flame
