## **Diamond Dave**

## The Bird and the Bee

When I was a child You captured my devotion I spent so many hours Exploring mixed emotionsAll of the ways you spoke to me All of the things you provoked in me I'll always love youDiamond Dave No one can hold a candle Nothing else is quite the same Pretty Dave, I'll always remember I still carry such a flameWhen you left the band I couldn't understand it But I've forgiven you Now that you've recommittedAll of the time you spent away from me All of the missed opportunity I'll always love youDiamond Dave No one can hold a candle Nothing else is quite the same Pretty Dave, I'll always remember I still carry such a flameCome on, Dave

Show me what you got
I can take it
I'll always love youDiamond Dave
No one can hold a candle

Nothing else is quite the same
Pretty Dave, I'll always rememberDiamond Dave, I'll always remember
Pretty Dave, I'll always remember
I still carry such a flame
