

Way Back

[John Conlee](#)

Way Back When We Were Lovers
We Had Each Other To Lean On
We Use To Lay Back
And Greet The Sunshine
Now The Good Times
Are All Gone Living Ain't No Fun Now
Cause Weve SomeHow Lost Track
And Days Without Love
Are So Hazy Oh Baby
Weve Got To Find Our Way Back Way Back Do You Remember
We Sang A Tender Love Song
We Use To Say That
We'd Never Loose It
But Now The Music Is All Gone (Rest For Instrumental) Living Ain't No Fun Now
Cause Weve SomeHow Lost Track
And Days Without Love
Are So Hazy Oh Baby
Weve Got To Find Our Way Back (Rest For Instrumental) Weve Got To Find Our Way Back
Weve Got To Find Our Way Back
Weve Got To Find Our Way Back
