Miss September

Greensky Bluegrass

If somebody leaves the back door open, there's cause for alarm
cuz something always turns up missin when no one's around
i knew about a man one time who kept everything open
and all his friends couldn't tell if he was joking when he packed up to runi think i'm gonna miss september
but i'm leaving either way
i'll probably write you a letter
i can't imgagine what i'll say....
what should i say?....Banjo sololookin at over her life now, somewhere close to the middle
the second half doesn't look any easier than lookin back
had a little brush with regret, could have done a few things different
or maybe in a different order if they needed be donei think i'm gonna miss september
but i'm leaving either way
i'll probably write you a letter
i can't imgagine what i'll say....
what should i say?....bridge (mando, dobro solos)If you wanna make a big splash when your feet hit the water
you might need to get a little taste of who you're gonna follow
because with a little bit more restrainst, it will seem like more intention
even in your dreams, you know your limits were realYeaaahhhhhhhh!!!!i think i'm gonna miss september
i think i'm gonna miss september
Yeaaah!!!!
but i'm leaving either way....
what should i say?....
