

# Real Good Time

## Aaron Carter

Sometime, someplace  
Everybody has words  
I'm fallin' out and making up uh-huh  
    Maybe I laugh, maybe I cry  
    Maybe I scream, maybe I sigh  
    Baby I feel, the feeling is real  
    Maybe I curse, maybe I squeal  
    But I enjoy making some noise  
    Foolin' around, adjusting to the sound  
    But you and I get and everything's set  
Be sure you know how to have a real good time yeah, yeah  
    1, 2, 3, 4  
    You and I on my terrain  
    Sometimes we just go insane  
    You and I have much to give  
    Everything is relative  
    When we have our darker days  
    We just go our separate ways  
    You and I are not to blame  
    Sometimes we just go insane yeah, yeah  
    1, 2, 3, 4  
    Maybe I laugh, maybe I cry  
    Maybe I scream, maybe I sigh  
    Baby I feel, the feeling is real  
    Maybe I curse, maybe I squeal  
    But I enjoy making some noise  
    Foolin' around, adjusting to the sound  
    But you and I get and everything's set  
Be sure you know how to have a real good time yeah, yeah  
    Sometimes baby in your eyes  
    Love is truly justified  
    When I hear you tellin' lies  
    I just wanna terrorize  
    Making up is oh so good  
    Yeah we rock the neighborhood  
    You and I are not to blame  
    Sometimes we just go insane, yeah, yeah  
    1, 2, 3, 4  
    Maybe I laugh, maybe I cry

Maybe I scream, maybe I sigh  
Baby I feel, the feeling is real  
Maybe I curse, maybe I squeal  
But I enjoy making some noise  
Foolin' around, adjusting to the sound  
But you and I get and everything's set  
Be sure you know how to have a real good time  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
Maybe I laugh, maybe I cry  
Maybe I scream, maybe I sigh  
Baby I feel, the feeling is real  
Maybe I curse, maybe I squeal  
But I enjoy making some noise  
Foolin' around, adjusting to the sound  
But you and I get and everything's set  
Be sure you know how to have a real good time, yeah yeah
