

Up to Me

Sexy Sadie

Hangin' around since I came to this town,
people is thinking what the hell I do know.

 What I'm trying to make them see
 (is that) all those thing are up to me!
 Hold your hand up, higher and higher,
 don't let the others play with your fire.

 What I'm trying to make you see
 (is that) all those thing are up to me!

 All the freaks come up to me,
 they wanna tell me what it has to be.

 What I'm trying to make them see
 (is that) all those thing are up to me!

 It's not up to you!

 It's not up to you!

 You'd better stay longer,
 longer than time it takes to reach to the moon.

 You're doing well, you're fine,
 I'm draining my brain just to make you feel pain.

 I've heard about your sights,
 rocking again, sexy sadie is our name.

 I wanna be somewhere,
 right on the moon!
