

One Kiss At a Time

Boyzone

One kiss at a time I woke up this morning
With a brand new point of view
Something has changed my world
And girl that something is you I don't know how to explain it
But I knew right from the start
This feelin' inside, it can't be denied
And I'm gonna win your heart One kiss at a time
Sooner or later
Love's gonna get ya
No way that you can hide One kiss at a time
Minute by minute, hour by hour
I'm gonna make you mine
One kiss at a time In all of the heavens
You're the only star that shines
I've just gotta get to you
So I'm workin' overtime I've climbed every mountain
Just to show you that I care
The searchin' is done
And girl you're the one
I'm gonna take you there One kiss at a time
Sooner or later
Love's gonna get ya
No way that you can hide One kiss at a time
Minute by minute, hour by hour
I'm gonna make you mine
One kiss at a time Hey now, hey now
Can't believe the way I feel now, feel now
One kiss at a time
Hey now, hey now
Can't you feel it when it's real now, real now?
One kiss at a time I've climbed every mountain
Just to show you that I care
The searchin' is done
And girl you're the one
I'm gonna take you there One kiss at a time
Sooner or later
Love's gonna get ya
No way that you can hide One kiss at a time
Minute by minute, hour by hour

I'm gonna make you mine
One kiss at a timeHey now, hey now
Can't believe the way I feel now, feel now
I can't believe the way I feel now
Hey now, hey now
Can't you feel it when it's real now, real now?
SoOne kiss at a time
Sooner or later
Love's gonna get ya
No way that you can hideOne kiss at a time
Minute by minute, hour by hour
I'm gonna make you mineOne kiss at a time
Sooner or later
Love's gonna get ya
No way that you can hideOne kiss at a time
Minute by minute, hour by hour
I'm gonna make you mine
One kiss at a time
