

See the Changes

Crosby, Stills & Nash

She has seen me changing
It ain't easy rearranging
And it gets harder as you get older
Farther away as you get closer
And I don't know the answer
Does it even matter?
I'm wonderin' how Ten years singing right out loud
I never looked was anybody listening
Then I fell out of a cloud
Hit the ground and noticed something missing Now I have someone
She has seen me changing
And it gets harder as you get older
Farther away as you get closer
And I don't know the answer
Does it even matter?
I'm wonderin' how Seems like something out of a dream
I had years ago, yes I remember screaming
Nobody laughing, all the good times
Getting harder to come by without weeping Now I have someone
She has seen me changing
And it gets harder as you get older
Farther away
