Now & Forever (feat. Woody Vereen)

Naomi Raine

Now and Forever

Verse 1:
All of creation, sits at your feet
Patiently waiting for the next word You speak
Let our lives tell the story of all that Youâ€™ve are
You are beautiful

Every tongue, will one day confess
Giving You glory, for Your faithfulness
Let our lives tell the story
Of all that Youâ€™ve are
You are faithful

Chorus:
Now and forever
You are perfect, perfect
Now and forever
We will worship, worship

We will worship You oh God

Verse 2:
Every nation, will bow at Your throne
Giving You worship, that is Yours alone
Let our live tell the story of all that youâ€™ve done
You are wonderful, So wonderful

(Chorus 2x)

Breakdown:
Lord prepare us to host Your presence
We are willing, all we want is You
(repeat 4x)

You are beautiful, so beautiful
You are wonderful, so wonderful

(Repeat chorus until end)
