

All My Heart

Stellar Kart

Whoa, whoa
You fill my heart with singing
Whoa, whoa
I live to lift your name
Whoa, whoa
You'll hear the praises ringing
All for you Jesus, you're my savior
There is no one else like you
You have all my heart
All my heart
I will sing forever
I am so in love with you
You have all my heart Whoa, whoa
Your glory reigns forever
Whoa, whoa
We live to lift your name
Whoa, whoa
Our voices one together
All for you
All for you Jesus, you're my savior
There is no one else like you
You have all my heart
All my heart
I will sing forever
I am so in love with you
You have all my heart Let the songs of freedom
Rise in all the earth
Until everyone has heard Whoa, whoa
Our voices one together
Whoa, whoa Jesus, you're my savior
There is no one else like you
You have all my heart
All my heart
I will sing forever
I am so in love with you
You have all my heart Whoa, whoa
You fill my heart with singing (All my heart)
Whoa, whoa
I live to lift your name

Whoa, whoa
You'll hear the praises ringing (All my heart)
Whoa, whoa
