

Pain in Any Language

Apollo 440

I'm gonna love you, till you love me then no more
You're gonna need me, like I need you right now
I'm gonna screw you, for all you're worth and no more
You're gonna need me, it's the same in any language
The pain in any language is the same in any language
I'm gonna love you, till you love me then no more
You're gonna need me, like I need you right now
You're gonna need me, it's the same in any language
The pain in any language is the same in any language
I'm gonna love you, till you love me then no more
It's the same in any language
The pain in any language
Same in any language
I'm gonna love you, till you love me then no more
Look, you're gonna need me They won't love you, like I love you
They won't love you, like I do
They won't love you, like I love you
They won't love you, like I do
