

If You Come Back

Blue

Come on, come on
Yeah, can you feel me?
(Baby can you feel me?)
Got something to say, check it out For all this time
I've been loving you girl, oh yes I have
And ever since the day you left me here alone
I've been trying to find, oh the reason why So if I did something wrong please tell me
I wanna understand
'Cos I don't want this love to ever end And I swear, if you come back in my life
I'll be there til the end of time, oh yeah
(Back to me, back to me, back into my life) And I swear, I'll keep you right by my side
'Cos baby you're the one I want, oh yes you are
(Back to me, back to me, back into my life) I watched you go
You've taken my heart with you, oh yes you did
Every time I tried to reach you on the phone
Baby you're never there, girl you're never home So if I did something wrong please tell me
I wanna understand
'Cos I don't want this love to ever end, no no no no I swear, if you come back in my life
I'll be there til the end of time, oh yeah
(Back to me, back to me, back into my life) And I swear, I'll keep you right by my side
'Cos baby you're the one I want, oh yes you are
(Back to me, back to me, back into my life) Maybe I didn't know how to show it
And maybe I didn't know what to say
And this time I won't disguise
Then we can build our lives and we can be as one I swear, if you come back in my life
I'll be there til the end of time, oh yeah
(Back to me, back to me, back into my life) And I swear, I'll keep you right by my side
'Cos baby you're the one I want, oh yes you are
(Back to me, back to me, back into my life) And I swear, if you come back in my life
I'll be there til the end of time, oh yeah yeah yeah
(Back to me, back to me, back into my life) (Come back to me, come back into my life)
I swear, I'll keep you right by my side
