

# Hurt Me

Ne-yo

On a mission to make me feel it  
All she wanna do is hurt me  
Shorty's only concern is that I fall  
Naa  
She's determined to kill me softly  
And I think she knows it's working  
But what's sad is that I deserve it all  
then I brought her life to an end  
And now all she wants is revenge  
All she wanna do is hurt me  
Make me play her game  
All she wanna do is hurt me  
She wants me to feel pain  
I tried to say I'm sorry  
But that don't mean a thing  
All she wanna do is hurt me  
All she wanna do is hurt me, yeah  
I'm running round in circles lately  
I don't really know my way now  
Trying to figure it out but it's no use  
And I feel like it's almost over  
It could happen any day now  
She's taken everything but my life and she wants that too, oh  
'Cause I brought her life to an end  
And now all she wants is revenge

All she wanna do is hurt me  
Make me play her game  
All she wanna do is hurt me  
She wants me to feel pain  
I tried to say I'm sorry, so sorry  
But that don't mean a thing  
All she wanna do is hurt me  
All she wanna do is hurt me, yeah  
I didn't mean to do what I did  
I didn't know that this would happen  
And if I never, ever love again  
It'll be exactly what she wanted from me  
Cold Blooded

Oh  
Cold Hearted  
Oh  
We never started  
Oh  
[...]Oh  
Ah, oh  
All she wanna do is hurt me, hurt me yeah  
Make me play her game, oh all she wanna do  
All she wanna do is hurt me, oh hurt me  
She wants me to feel pain  
She wants me to feel pain  
I tried to say I'm sorry, said I'm sorry  
But that don't mean a thing, but that don't mean a thing  
All she wanna do is hurt me  
All she wanna do is hurt me, yeah
