

Random Acts Of Senseless Violence

Anthrax

Shut up, don't pass the blame
The same goddamn thing just the name's have changed
On the day you were busted your forgot the line
Don't do the crime if you can't do the timeAn animal's acting instinctively
Glorified murderer, insanity
Do you think I'd kill you just count to one
You're the coward, with the gunYeah, you thought you knew me yeah, you hardly knew me
You don't know me I know I shouldn't care
My crazy senses of right and wrong that can't be made to break this
Break this, break thisI see something wrong and fix it with my hands
I walk a thin blue line, this cross I came to bearSo, now you're dead well wha' dya know
And am I sorry no, I don't think so
They wanted sympathy now that's a bit much
How much did you show, how muchTake the value for one human life
And place it all right down on a roll of the dice
And a one, two, three for the pain you bring
I'm the bird without the left wingYeah, you thought you knew me yeah, you hardly knew me
You don't know me I know I shouldn't care
My crazy sense of right and wrong that can't be made to break this
Break this, break thisI see something wrong and fix it with my hands
I walk a thing blue line, this cross I came to bearRandom acts of senseless, random acts of senseless
Random acts of senseless, random acts of senseless
ViolenceI see something wrong and I fix it with my hands
I walk a thin blue line, this cross I came to bear
I see something wrong and I fix it with my hands
I walk a thin blue line and I'll be the one who laughs when
You die
