

# Big Area 97 (Euro Mix)

## Then Jericho

I was taken by surprise  
I was shattered by your eyes  
Living far beyond my means  
Do you know how that feels?  
I was waiting for so long  
I was praying to belong  
Only holding out to see and believing there's only one  
Strong enough and hard enough to give you away

In this big area of mine  
Sometimes you break me up inside  
(Saying I)  
I want to let you go  
Got that feeling  
If anyone who comes to know you long enough will give you away

There was never one as I who could stand the reasons why  
Who would even take the time  
Did you care, was I right?  
Only once did you try  
Even then it was hard enough  
Just for you to realize or believe there was only one  
Strong enough or hard enough to give you away

In this big area of mine  
Sometimes you break me up inside  
(Saying I)  
I want to let you go  
Got that feeling  
If anyone who comes to know you long enough will give you away

In this big area, woah  
In this big area of mine  
Sometimes you break me up inside  
(Saying I)  
I want to let you go  
Got that feeling  
If anyone who comes to know you long enough will give you away

Sometimes you break me up inside

In this big area of mine  
(Saying I)  
I want to let you go  
Got that feeling  
If anyone who comes to know you long enough will give you away

I was taken by surprise  
I was shattered by your eyes  
Breaking down something so right and so fine
