

Breakthrough

Harts

everybody wants to feel the high on the top of the world
But you really can't enjoy the view when it's mighty cold
Everybody climbing one another gets so hard to stand
For those who're at the bottom need the helping hand

We need to

we're all in pain

Cause another breakthrough

Let it pour like rain

We don't want to be the ones who lost control

Armed with a pen and I don't know if I'm alone

Summer of love and I just feel like I don't want to be out

Cos seeing it all can make us other ones fear in doubt

I said that

We need to

we're all in pain

Cause another breakthrough

Let it pour like rain

Strong enough to make a move

But we're all insane

Need another breakthrough

Let it pour like rain x2 and it hits you like a bomb

Can you hear the cry?

I said that

We need to

we're all in pain

Cause another breakthrough

Let it pour like rain x3 we're strong to make a move x3
