

Weirdo

Masked Intruder

You say that I'm a freak, a geek, a weirdo
A positively creepy dude
I guess I can only protest that you left you the best fact:
I'm totally in love with you
You say that I'm a nitwit,
A lousy, lowdown dipshit
If that's the way you feel, it must be true
If I'm no good at all, then
How could have I have fallen
For an angel of the earth like you?
You say that I'm a freak, a geek, a weirdo
A lost cause, a loser, a lout
But the fact still remains, that you are perfect in every way
I'm hoping we can work this out
Yeah, that doesn't change that you're perfect in every way
I'm hoping we can work this out
