Diamond Ring (From Weightless)

Katie Herzig

Spotlight on a golden night from a bird's eye
It's the perfect place to be queen
So they believe
An old song with a long story
And make a way for his new glory to be
You couldn't wait for the scene
Papa, don't buy me a diamond ring
Cause I ain't got time for what you're thinking
I'm a one man band with a late night show
You gotta let me go
Bone dry in the naked light
I've got my closed eyes
So I can't see what you mean
When you give 'em to me
Bomb drop from the flower shop
And the nice guy steals the air from my wings
He should've thrown 'em to me
Papa, don't buy me a diamond ring
Cause I ain't got time for what you're thinking
I'm a one man band with a late night show
You gotta let me go
Spotlight on a golden night from my bird's eye
It's the perfect place to be queen
And they will believe
Papa don't buy me a diamond ring
Cause I ain't got time for what you're thinking
I'm a one man band with a late night show
You gotta let me go
You gotta let me go
