

Children

Emf

Children, I know
You deserve, more than this world could ever give
Children, I know
You deserve, more than this world could ever give Hold on, take your life
Hold on to each reality
They seem so far from you
But really they're close to you You've got to break each precious dream
Until it breaks your heart in two
Build your life until you find
What's right for you Children, I know
You deserve, more than this world could ever give Don't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to you You've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for you Children, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever give Long live the new flesh
Long live the new flesh
Long live the new flesh Don't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to you You've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for you Long live the new flesh Children, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever give Children, I know
Children, I know
Children, I know
You deserve more than this world could ever give
