

# SLICE ME NICE

## Fancy

My body's burning like a flame that's blue  
It's time for action and I want it from you.

Slice me nice - slice me nice.

My heart is beating to the rhythm of love  
I need you  
baby

like cold hands need a glove.

Slice me nice - slice me nice.  
I'm like a cake that wants to be baked  
I'm like a pie made for hungry guys.

My body's burning like a flame that's blue  
It's time for action  
baby

got me and you.

Slice me nice - slice me nice.  
SLICE - slice me nice

SLICE - slice me nice  
S L I see E - slice me nice

S L I see E - slice me nice  
Slice me nice.

My body's burning like a flame that's blue

...

I'm like a cake that wants to be baked

...

S L I see E - slice me nice

S L I see E - slice me nice

...

SLICE - slice me nice

SLICE - slice me nice

...
