

Sneakernight

Vanessa Hudgens

Put your sneakers on, put your sneakers on
Were goin dancin all night long I got somewhere to be
I want you to come with me
See Ive put my sneakers on
'Cause Im gonna keep dancin after they all go home So are you ready? Did you eat? Do you have the energy?
Are you reloaded? Are you able to stay on your feet?
Dont want you passing out after a couple of hours of beats
Were gonna keep going, and going, and going, yeah, 'cause Basically what were gonna do is dance
Basically what were gonna do is dance
Basically what were gonna do is dance
It will come easily when you hear the beat, ah Basically what were gonna do is dance
Basically what were gonna do is dance
All you gotta do is take a chance
Yeah thats right, its sneaker night So now theyre closing, close it up, shut it down, go home now
But this is far from the end, the second round, ding, its about to begin
'Cause I got comfortable full where the weather is nice
So lets take it outside, just needs some
Hands claps and the beatbox, and its all right Basically what were gonna do is dance
Basically what were gonna do is dance
Basically what were gonna do is dance
It will come easily when you hear the beat, ah Basically what were gonna do is dance
Basically what were gonna do is dance
Dont you even worry about other plans
Yeah, thats right its sneaker night! When the sun goes down, oh we wake up
I got my sleep, ha! No need
No compliment staying awake, oh no
When the beat is like an earthquake And were unstoppable, were uncontrollable
Just admit it, you cant stop it, its addictive, yea yea yea Basically what were gonna do is dance
Basically what were gonna do is dance
Basically what were gonna do is dance
Yeah thats right, its sneaker night Basically what were gonna do is dance
Basically what were gonna do is dance
Basically what were gonna do is dance
It will come easily when you hear the beat, ah Basically what were gonna do is dance
Basically what were gonna do is dance
Dont you even worry about other plans
Yeah, thats right its sneaker night! Oh, put your sneakers on, oh, lets go all night long
