

Go the Distance (Single) [Soundtrack Version]

Michael Bolton

I have often dreamed of a far off place
Where a hero's welcome would be waiting for me
Where the crowds would cheer, when they see my face
And a voice keeps saying this is where I'm meant to be
I'll be there someday, I can go the distance
I will find my way if I can be strong
I know every mile would be worth my while
When I go the distance, I'll be right where I belong
Down an unknown road to embrace my fate
Though that road may wander, it will lead me to you
And a thousand years would be worth the wait
It might take a lifetime but somehow I'll see it through
And I won't look back, I can go the distance
And I'll stay on track, no I won't accept defeat
It's an uphill slope
But I won't loose hope, 'till I go the distance
And my journey is complete, oh yeah
But to look beyond the glory is the hardest part
For a hero's strength is measured by his heart, oh
Like a shooting star, I will go the distance
I will search the world, I will face its harms
I don't care how far, I can go the distance
'Till I find my hero's welcome waiting in your arms
I will search the world, I will face its harms
'Till I find my hero's welcome waiting in your arms
