

Next to You

Bodyjar

I can't stand it for another day Nothing here is gonna make me stay (You) took me over, let me find a way
When you live so many miles away I sold my house All I want is to be Next To You I sold my motor too I'd rob
a bank Maybe steal a plane You took me over Think I'm goin' insane What can I do, All I want is to be next to
you What can I do, All I want is to be next to you I've had a thousand girls or maybe more But I've never felt
like this before But I just don't know what's come over me You took me over, take a look at me All I want is to
be next to you What can I do, What can I do, All I want is to be next to you All I want is to be next to you All I
want is to be next to you All I want is to be next to you So many times I used to give a sign Got this feeling,
gonna lose my mind When all it is is just a love affair You took me over baby, take me there What can I do,
What can I do, All I want is to be next to you All I want is to be next to you What can I do, All I want is to be
next to you All I want is to be next to you All I want is to be next to you... What can I do,
