

Save the Last Dance for Me

Emmylou Harris

You can dance every dance with the girl
Who gives you the eye, let her hold you tight
You can smile every smile for the girl
Whod like to treat you right neath the pale moonlightBut dont forget whos takin you home
And in whos arms youre gonna be
Oh, darlin, save the last dance for meOh I know that the musics fine like sparklin wine
Go and have your fun
Dance and sing but while were apart
Dont give your heart to anyoneAnd dont forget whos takin you home
And in whos arms youre gonna be
Oh, darlin, save the last dance for meYou can dance go and carry on
Till the night is gone and its time to go
If she asks if youre all alone
Can she take you home, you must tell her noAnd dont forget whos takin you home
And in whos arms youre gonna be
Oh, darlin, save the last dance for meAnd dont forget whos takin you home
And in whos arms youre gonna be
Oh, darlin, save the last dance for me
