Chasing Silver

Justin Hines

Hello my old companion, it's been a while
When I think of you, I can't help but smile.
Cuz I'm a lover in time running down a dream,
A heart growing wild looking for a field

I wait until moonlight to call your name
For the beauty in silence is the sweetest thing
And all I am, and all I'll be
Fulfilling the vision only you can see.

I'm chasing silver when I know I'll catch gold
I know I'll catch gold.

And the smile of a young one on their father's knee
Reminds me of love and what it means to me
Cuz I've lived my days through
Your perfect eyes
Now I feel every blessing right before my cries.

I'm chasing silver when I know I'll catch gold.
I'm chasing silver when I know I'll catch gold.

And the only thing we're guilty of is innocence.
If we're honest with ourselves
And in moments when I hear the voice of doubt and I can't get out,
I know I'm safe with you.

Chasing silver....

One day my life shall pass as time moves on
But I'll look to your journey when I think love has gone.
Cuz to be in your arms is to be set free
And everyday how I long to be
Chasing silver when I know I'll catch gold
And with my hand in yours, I know I'll catch gold...
I know I'll catch
Yeah I know I'll catch gold.
