

Bury Me With My Guns On

Bobaflex

Hey

Hey

Hey

Hey This conversations over

It makes no sense to me

You could have stopped the suffering

You could have stopped the screams But now your reign is over

It to me

I'm going to show you what I mean Bury me with my guns on

So when I reach the other side

I can show him what it feels like to die Bury me with my guns on

So when I'm cast out of the sky

I can shoot the devil right between the eyes Hey

Hey

Hey

Hey The pearly gates are broken

And its the strangest thing

The angels could have warned you

But no one said a thing The shot was quick and painless

And did change everything

It's time to choose a better king Bury me with my guns on

So when I reach the other side

I can show him what it feels like to die Bury me with my guns on

So when I'm cast out of the sky

I can shoot the devil right between the eyes The castles falling down

Beneath the deep blue sea

They've seen my face before

Will they remember me? I scream the words out loud

Our souls are finally free

Its time to open up our eyes Hey

Hey

Hey

Hey Bury me with my guns on

So when I reach the other side

I can show him what it feels like to die Bury me with my guns on

So when I'm cast out of the sky

I can shoot the devil right between the eyes Bury me with my guns on

So when I reach the other side

I can show him what it feels like to die Bury me with my guns on

So when I'm cast out of the sky
I can shoot the devil right between the eyes
The castles falling down
Beneath the deep blue sea
They've seen my face before
Will they remember me?
I scream the words out loud
Our souls are finally free
Its time to open up our eyes
Hey
Hey
Hey
