Up In the Sky

[Oasis](#)

Hey you! Up in the sky
Learning to fly
Tell me how high
Do you think you'll goBefore you start falling
Hey you! Up in a tree
You want to be me
But that couldn't be'Cause the people here they don't hear you calling
How does it feel
When you're inside me?
Hey you! wearing the crownMaking no sound
I heard you feel down
Well that's too bad
Welcome to my worldHey you! Stealing the light
I heard that the shine's
Gone out of your life.
Well that's just too badWelcome to my world
You'll need assistance with the things that you have never ever seen
It's just a case of never breathing out
Before you've breathed it inHow does it feel
When you're inside me?
Hey you! Up in the sky
Learning to flyTell me how high
Do you think you'll go
Before you start falling
Hey you! Up in a treeYou want to be me
But that couldn't be
'Cause the people here they don't hear you calling
How does it feelWhen you're inside me?
You'll need assistance with the things that you have never ever seen
It's just a case of never breathing out
Before you've breathed it inHow does it feel
When you're inside me?
