

# Save Me

Bonnie Tyler

[Chorus]

Save me darling won't you save me  
Oh this heart is in distress  
I need some tenderness so take me  
Take me in your arms and save me  
Only you can save me  
Save me I can't stand another lonely night  
I need your arms to hold me tight  
Darling please oh won't you hurry back home  
Oh don't you let me face this night alone 'Cause I'm drowning in loneliness  
Can't you hear my heart sending out an s.o.s. Save me darling won't you save me  
Oh this heart is in distress  
I need some tenderness so take me  
Take me in your arms and save me  
Only you can save me  
Come on bring your love around  
Rescue me right now save me I'm going out of my mind  
You don't know the way I'm feeling inside  
Come on babe throw me a line  
'Cause I'm drowning in loneliness  
Can't you hear my heart sending out an s.o.s. Save me darling won't you save me  
Oh this heart is in distress  
I need some tenderness so take me  
Take me in your arms and save me  
Only you can save me  
Come on bring your love around  
Rescue me right now save me Save me from this emptiness  
Save me from this loneliness  
Save me can't you hear my heart  
Calling  
Calling out to you to save me [Chorus]
