

# Along the Way

Gary Allan

Scarecrows and devils are the only thing out this way  
And what that says about me, it's probably true  
'Cause I've been carrying all these words around  
For too long and now it's time to lay 'em down  
I'm here for forgiveness, I need it from you  
The road was long and it took so much time  
But I've learned a lot from my mistakes  
I made some wrong turns that I'm not proud of  
They made me who I am today, I just got a little lost along the way  
I won't blame you if you turn around and  
slam the door  
I understand if you don't wanna hear me again  
I'm not here to fight, I came to you tonight  
To say I'm sorry and to try to make it right  
I'm only finding my way back from where I've been  
Don't know where I've been  
The road was long and it took so much time  
But I've learned a lot from my mistakes  
I made some wrong turns that I'm not proud of  
They made me who I am today, I just got a little lost along the way  
The road was long and took so much time  
But I've learned a lot from my mistakes  
I made some wrong turns that I'm not proud of  
Made me who I am today, I just got a little lost  
Just been a little lost, I just got a little lost along the way  
Scarecrows and devils  
Are the only thing out this way  
What that says about me, it's probably true
