

# I've Got a Plan

## Mucky Pup

I heard it as a kid, and i'm so sick of it  
Your such a teddybear, your such a teddybearYou heard it yesterday, but i'll tell it anyway  
The sad sad story, a sad sad storyI have a plan, i have a plan  
I have a plan of how it's gonna happen  
I have a plan we're gonna make it happenWe're gonna make a band, a cool cool band  
We're gonna write a song, a cool cool song  
Were gonna play a show, a cool cool show  
We're gonna make a record, the way cool record  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
