Trey Songz

[Trey Songz Talking]And I Wouldn't Be Me If I Didn't Get A Little NastyNa Na Na Na Na Na Na (x3)[Verse 1]
How `bout we just pull over , And just do it where we at
How `bout you just lift that skirt up
Ohh . . . We can be badThat place that ain't been touched , I'm feeling on it
I'll let you sit through, keep spinning on it
Girl . . . Giddy Up Giddy Up , Take me on a ride to ecstasyYou don't wanna bump bump then take a nap
You just wanna bump bump bring right back
Watch me
I'ma heat it up , beat it up
ohhh[Chorus]
I know you're tired of the usual, usual, usual
I can give you more than the usual
Not your regular , Tell you what , Let me touchYou gon' feel something unusual, unusual, unusual
I'm not gon' do what the usual,
Not your regular, Tell you what , Let me touch
You gon' feel something unusual[Verse 2]
I wanna do the wicked things you never do
What if we get it while your friends was in the room
Is that too much for ya ?
Don't you feel bad, Let em feel sexyWe can make a sex room wherever we go
Take it to the restroom, they ain't gotta know
No . . Ohh . . Watch me heat it up, Beat it up
Woo .. Hey!
Do You hear me girl ?
Watch me heat it up, Beat it up
Woo[Chorus][Trey Songz Talking]Restaraunt (Check)

On the hood (Check)
Of The Car
Countertop (Check)
Balcony (Check)
In the jet (Check)
On the beach (Let go)[Drake]
This that other shit
You know you ask for it
I might just save you some money , And getcha passport
So You can come to my city , I'll take you all over
And hit you on the balcony , Just don't fall over
Send me a picture baby , you know I'd never leak itI know you got something recent , For someone decent

Why you laughing out loud , I'm serious
Bring your girl if you a little bi-curious
Please ; Please No Storytelling of others
I promise you gon' love it
I would never let you down
Feel like I might of perfected , All the things that you've expected
And you gon' know it when you bring your ass around
Motherfu- Oh! [Chorus] [Trey Songs]
Get it all different kind of ways
All different places
Look at the many love faces you're making
But can you take it Ohh Y'all thought I was nasty last time- let go
