

(Love Is Like a) Heatwave

[Phil Collins](#)

Whenever I'm with her
Well, something inside
Starts to burnin'
And I'm filled with desire Could it be the devil in me
Or is this the way love's supposed to be? It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apart Whenever she calls my name
Whose soft flow, sweet, and plain
I feel, I feel
Feel that burning flame Has high blood pressure got a hold on me
Or is this the way love's supposed to be? It's like a heatwave
Burning in my heart
(It's like a heatwave)
Can't keep from cryin'
(Heatwave)
It's tearing me apart Heatwave
Heatwave Sometimes I stare in space
Tears all over my face
Can't explain it, don't understand it
I ain't never felt like this before Well, that funny feeling has me amazed
Don't know what to do, my head's in a haze Just like a heatwave
Yeah, yeah, yeah, yeah Ooh, you're in love, girl
Yes, this is the love girl
Ooh, girl, get it, girl
Ooh, you know this is love, girl (Ain't nothin' but love, girl)
Don't pass up this chance
It could be true romance
Heatwave Yeah, yeah, yeah, yeah
Burning, burning, burning
Burning, burning, burning
Burning, burning, burning
