Killuminati Pt. 2

Joey Bada$$

[Intro/Outro]
Killuminati all through your body
Like a 12 gauge shotty[Verse 1]
And Im still a beast with these flows
Feeling real low my tree self esteem roll
We drowning out Atlantis cant overflow beast coast
Be more specific next time you shoutin out a-mi-go
I am not the star? In fact Im planet awe
Fuck what the media write, bitch this is a fire bar
Please dont leave your comment if you are not up to par
No names, putting you in a verse thats too far
Your mundane cant obtain, the knowledge of my brain
My set told me light you up so this that propane
Its Nathan all I gotta do is just spit a flame
No escaping, you in a swimming pool of champagne
You set yourself up for that one mane
The king of New York?
Ha! we aint just gon let that one hang
Last nigga got dethroned and you aint from my zone
The rest of the real niggas is dead and gone[Hook]
But f*ck it Im Biggie, Im L, Im Pun
Im Gods Son, Im Pac, Guru all in one
Im what they predicted before I come
In fact I do it all for them
But f*ck it Im Biggie, Im L, Im Pun
Im Gods Son, Im Pac, Guru all in one
Im what they predicted before I come
In fact I do it all for them[Verse 2]
Im getting a ugh, Im getting a ugh
From the weak sh*t that I hear
No lyrical style come near me
How they gon try to compare me
To whats clearly, barely, not nearly as rare as me
Swank make hands fold like a rare disease
I got arthritis yo its scaring me
I got all these rap niggas f*cking fearing me
Heard they was looking for war but aint declaring me
Im well aware, NY not Delaware
Im the real king fella here

You more like Prince of Bel-Air
Im clearing the air, might fire at will
These rap niggas dont want the static for real
Cuz they lines not adjacent to my spectacular skill
If you dont f*ck with cinematic stand still
My lifes a movie on the real
You can get shot with your hands on the wheel
With your pants at ya heels[Hook]
But f*ck it Im Biggie, Im L, Im Pun
Im Gods Son, Im Pac, Guru all in one
Im what they predicted before I come
In fact I do it all for them
But f*ck it Im Biggie, Im L, Im Pun
Im Gods Son, Im Pac, Guru all in one
Im what they predicted before I come
In fact I do it all for them[Intro/Outro]
Killuminati all through your body
Like a 12 gauge shotty[Buckshot]
And Im feeling like the realest motherfucker alive
And Im feeling like the realest motherfucker alive
And Im feeling like the realest motherfucker alive
And Im feeling like the realest motherfucker alive
And Im feeling like the realest motherfucker alive
And Im feeling like the realest motherfucker alive
Killuminati all
Through your, all through your
I love the competition
Go against the beast coast?
I retired that level of it
And now you have to deal with a brother like Joey
Which is a 45 magnum with a knife at the tip
And a shotgun at the enemy
