

Town Without Pity

Ronnie Montrose

When you're young and so in love as we
And bewildered by the world we see
 Why do people get a soul
 Only those in love would know
What a town without pity can doIf we stop to gaze upon a star
 People talk about how "bad" we are
 Ours is not an easy age
 We're like tigers in a cage
What a town without pity can doThe young have problems
 Many problems
 We need an understanding heart
 Why don't they help us
 Try to help us
Before this plain granted planet falls apartTake these eager lips and hold me fast
 I'm afraid this kind of joy can't last
 How can we keep love alive
 How can anything survive
When these little minds tear you in two
 What a town without pity can do
