

Confetti (Remastered)

Tori Kelly

V1 ~

I gotta keep myself in check sometimes
Cause I tend to dream real big sometimes
The fancy outfits and the sparkly awards
My name in lights, the people lined up at the doors
But I gotta remember to take it one step at a time
Chorus ~
Cause People seem to think
That you'll be happier, once you reach the top
You'll have it all
But I'm livin for right now
Cause what if tomorrow never comes
I'm not waitin, I'm not waitin
For the confetti to fall
V2 ~

I can't just sit around and wait for my life to start
I can make a difference, put a little happiness in someone's heart
The fancy cars, the glitter and the fame
It's all nice but it won't be worth a thing
Love is bigger, so imma stand up for love, yeah
Chorus ~
Cause People seem to think
That you'll be happier, once you reach the top
You'll have it all
But I'm livin for right now
Cause what if tomorrow never comes
I'm not waitin, I'm not waitin
For the confetti to fall
