

# Mile High

## Blondie

My friends tell me I should try it  
Between Earth and Sky  
All I know that I would like to  
Do the mile high  
Oh oh oh oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh oh oh oh  
Oh oh oh oh oh  
When you discover  
What comes between  
The lower lever  
And the jet stream  
Mile high  
When you discover  
What comes between  
Mile high  
The lower lever  
And the jet stream  
Mile High  
Mile high  
You and I  
Between Earth and Sky  
Between Earth and Sky  
Mile high  
You and I  
Between Earth and Sky  
Between Earth and Sky  
(Oh)  
Mile high  
You and I  
Between Earth and Sky  
Between Earth and Sky  
(Oh)  
Mile high  
You and I  
Between Earth and Sky  
Between Earth and Sky  
I'm up n coming  
I'm in the club

I'm up n coming

I'm in the club

OH!

OH!

OH!

OH!

I'm in the club

I'm up n coming

I'm in the club

I'm up n coming

I'm up n coming

Oh oh oh oh oh oh oh oh

Oh oh oh oh oh

Oh oh oh oh oh oh oh oh

Oh oh oh oh oh

I'm in the club

When you discover

What comes between

The lower lever

And the jet stream

Mile high

When you discover

What comes between

Mile high

The lower lever

And the jet stream

Follow the Earth

For all you're worth

Follow the Earth

For all you're worth

Follow the Earth

For all you're worth

Follow the Earth

For all you're worth
