Won't you come over? (yeah)
Won't you come over?
Won't you come over?
Won't you come over?Tell me, tell me, tell me, tell me
Why are you acting like a fool?
It's the nasty things you do
That send me through the roof
Tell me, tell me, tell me, tell me
Why I'm sitting here needing you?
This shit here over due. Oh yeah, oh yeah.Tell me why you had to go this far? This far!
Baby I will come to where you are
Oh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing youWhat you mean when you say you need who?
On the couch in your V secret in a see through.
Emotions rolling, saying me too, wit your thoughts on my facet I can see through.
Say trust issues, I'm stereotypes
Had a nigga feeling I was never your type
Gripping your waist, throwing d*ck in your thighs
Bet you never had a real nigga look in your eyes
Now stand up, now dance for me, now do it real slow no hands for me
Say ew ew, I'm watching, tell your ex boyfriend stop blocking
I'm a gangsta that mean I got options
Call block on the phone talking bout info
I whip down, he whipped up, I whipped out the extendoOh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing you
Oh baby, oh baby, oh baby, oh baby, I'm needing youBaby I've been waiting
Yeah, baby I've been waiting on you
I fuck around and lock the door straight push you down and put it all on you
I'm just hoping you can take, I'm just hoping you can take it to the next level
Hope you ready for what imma do.Tell me why you had to go this far, this far?
