Could

Brian McKnight

Lying alone in my room
Don't know what I'm gonna do
Trying to figure out if this is it, this time
Just can't stop thinking 'bout the way
You make me feel inside
I just can't get you off my mind
No matter how hard I tryCould you be the one for me?
Could we dance the night away?
I wanna give you everything
Though I don't have much
Could you fall in love with me?
Could you love me the rest of my life?
Could you forever be the one for me this time?I walk around in a daze
The ice is melting from my heart
How can I ever know if you feel the same?
Are you the sunshine that's begging me
To come in from the rain
Or have you come into my life
To turn around and take your love away?Could you be the one for me?
Could we dance the night away?
I wanna give you everything
Though I don't have much
Could you fall in love with me?
Could you love me the rest of my life?
Could you forever be the one for me this time?When I look into your eyes
They tell me that you're mine
But I keep asking myselfCould you be the one for me?
Could we dance the night away?
I wanna give you everything
Though I don't have much
Could you fall in love with me?
And could you love me the rest of my life?
Could you forever be the one for me this time?
Could you forever be the one for me this time?
